QR CODE MESSAGING IN THE HILL SECTION

A new feature of this year's Home Tour is the placement of yellow wooden signs on lawns of homes in the Hill Section of Willimantic. Attached to the sign is a picture of a home and a QR code that can be activated by your smart phone. The voice message from the code will describe the architectural features of the home as well as the date and name of the original and present owners. This is our unique way of acquainting visitors and local tourists with architectural features of many home in the Historic District of Willimantic.
